Summer Course 2024

Tropical Animal Nutrition and Feed Technology

Department of Nutrition and Feed Technology, Faculty of Animal Science

Head of the Department of Nutrition and Feed Technology

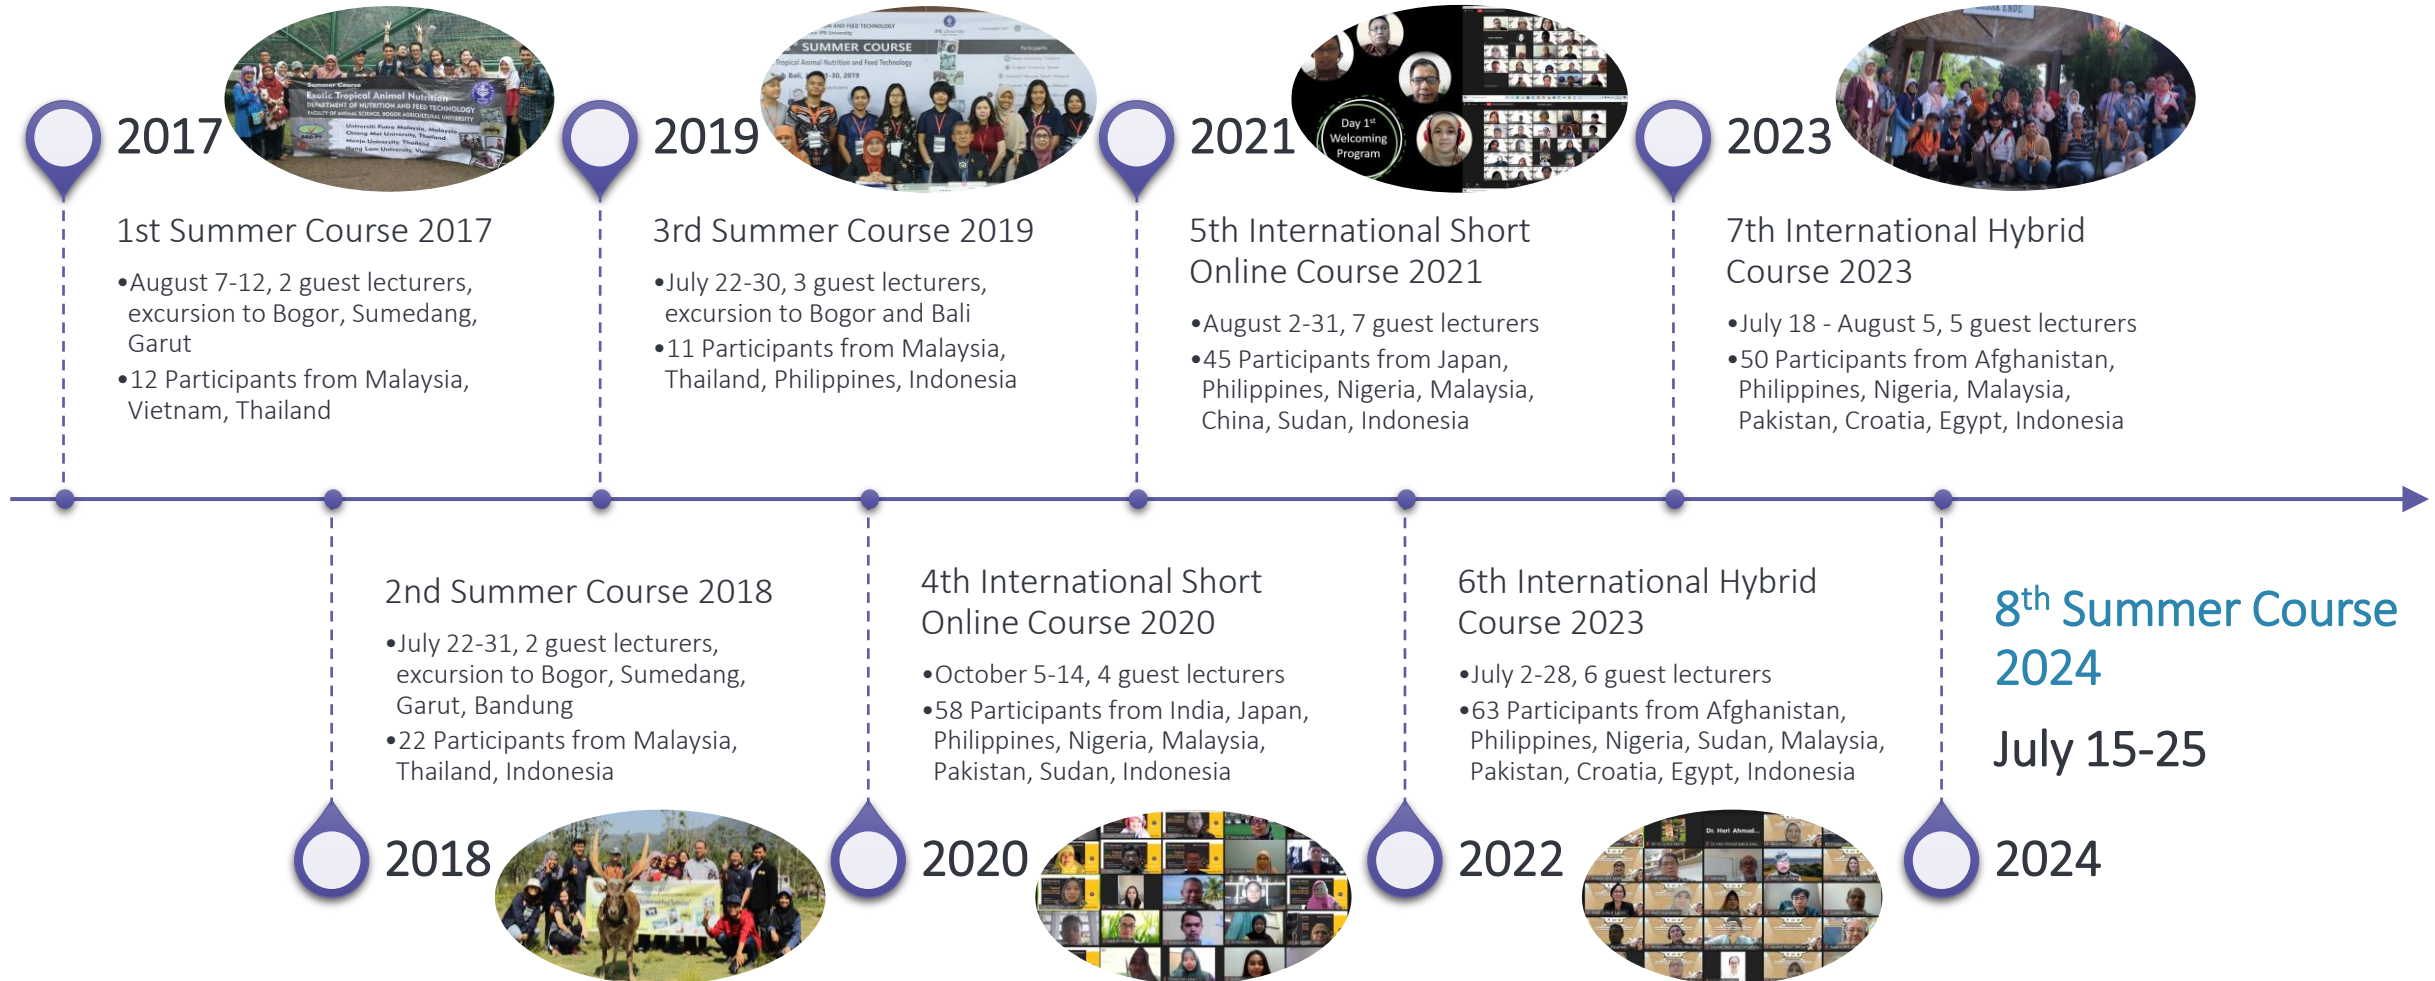

Introduction

The Department of Nutrition and Feed Technology at IPB University is announcing its 8th Summer Course on "Tropical Animal Nutrition and Feed Technology".

The ten-day event will cover tropical animal nutrition, local feedstuff, and the feed industry development in Indonesia for sustainable livestock production. Esteemed speakers from universities, industries, and the Department NFT lecturers will share their expertise.

This annual program was consistently a great achievement with participants from various countries including Poland, Croatia, Turkey, South Korea, Japan, Afghanistan, Australia, Nigeria, Malaysia, Thailand, and Vietnam.
